RAJKOT: Goons unleashed terror on Morbi Road on Divali night as they went on a stabbing and looting spree, attacking at least nine people at four separate locations within two hours.

Police arrested Devsi Koli, Karan Mer and Arjun Mer, but not before they had assaulted the victims who were immersed in festivities. Four separate offences were lodged against them. Senior police officials said that the three resorted to terrorizing people merely to establish their supremacy in the area. Moving around in a car, they first attacked two migrant labourers living in the rooms of a school in Satellite Chowk locality without rhyme or reason at around 10pm. They were armed with knives, sticks, pipes and other sharp weapons. A 52-year-old security man, Vallabh Raiyani, who tried to intervene, was also thrashed. They even picked up the chairs in the classroom and flung them at the three and then thrashed them with sticks. Raiyani lodged a complaint with B-division police station. ## Estranged parents bury the hatchet for toddler's New Year celebration

SURAT: On Wednesday, a three-year-old girl will get a chance to celebrate the New Year with her parents for the first time in her life. Thanks to a compromise struck for one meeting between her parents who are living separately, the child will meet her father for the first time after her birth. The father can meet the child in a public garden for one hour. The compromise has come as a respite for the couple who got married after a love affair and had subsequently approached courts with five different complaints. While 28-year-old Arpita has (name changed) filed three cases (domestic violence, dowry, and maintenance) against her 29-year-old husband Sunil (names changed), Sunil has approached the court for reunion with and guardianship of the daughter. Sunil and Arpita knew each other during a course of sanitary inspector in 2018 and after an affair, they got married on

September 24 that year in a temple as their families were not agreeing to the relationship. Later, the families accepted their relationship and got them married as per social custom on October 15. Meanwhile, the couple developed differences and on November 24, Sunil sent Arpita to her parents' home. Arpita, who was pregnant, gave birth to a baby girl in February 2021. But her separation from Sunil continued. Meanwhile, Arpita filed cases with police and in court through her lawyer Ashvin Jogadaya. Sunil too approached court through his lawyer Hiral Parwala. "The father will be able to celebrate the New Year with Lakshmi of his family for the first time in a real sense. Thanks to this compromise struck for one meeting between her parents who are living separately, the child will meet her father for the first time after her birth. The father can meet the child in a public garden for one hour.

# Respect Parents from the deep of heart

Vinod Chandrasekhkar Dixit Free-lance Journalist, Writer & Cartoonist (dixitptrakr@yahoo.in)

The Global Day of Parents is observed on the 1st of June every year. The Day honors parents throughout the world. This is a momentous day to recognize the endless efforts of Parents and their sacrifices towards their young ones. This day enhances the

importance of being aware of one's duty. We celebrate days honouring our parents such as Mother's Day and father's day but do we really focus enough on respecting them? The day aims to stimulate awareness of the importance of parenthood and its role in providing protection and the tools needed for positive development in children. There is no basis for children to disrespect their parents because respecting them is the only way of

showing gratitude. Notably, parents are the valid reasons of existence, and we should be courteous, provide for their need and help, as well as living by their expectation on moral grounds. The day pays respect and appreciates parents what they do for their children, their selfless devotion to children, and their lifelong sacrifice towards nurturing this relationship. Parents are a beacon of a child's life. They lay the foundation for children, and nurture and equip them with the skills that are necessary throughout life. Parents protect their children and make countless selfless sacrifices to ensure their growth. Parents are the most precious gifts anyone can get.

However, as not everyone has the strength and support system of children and help them out always. Our parents love us and sacrifice a lot for our well-being. That means we have an even greater responsibility as a child to listen to our parents, respect them, be disciplined, be grateful for their dedication and hard work, and love them back. It is our duty to obey our parents, that is, to do always what they tell us to do. All that we have is given to us by our parents' food, clothing and education. In this world, we can't see God but we have parents. In India, they are referred to as God. Since ancient times we taught to

respect parents and elders. Nowadays due to a busy schedule, children are not able to spend their time with their parents. Sometimes, we think our parents cannot understand us and they get in the way of our happiness. This is why many of us have experienced rebelling against our parents at some point especially when we were still adults. Global Day of Parents helps such people to spend a full day with their parents. For the full and harmonious development of their personality, children should grow up in a family environment and in an atmosphere of happiness, love and understanding. ## 1,032 Hindus from Pakistan to vote for first time as Indians in Ahmedabad

More than a thousand Pakistani Hindu refugees who are now Indian citizens will vote for the first time in the upcoming assembly election. In all, 1,032 such refugees, who were awarded Indian citizenship by the Ahmedabad collector in the past five years, will have a say in electing the new state government. Since 2016, Ahmedabad collector's office has given Indian citizenship to 1,032 Hindus from neighbouring Pakistan. They were forced to seek refuge in India after being persecuted in their own country as members of minority communities. According to the 2016 and 2018 gazettes, the offices of Ahmedabad, Gandhinagar and Bhuj collectors have the authority to award Indian citizenship documents to Hindus, Sikhs, Christians and Parsis from Pakistan, Afghanistan and Bangladesh after approval from central and state intelligence agencies. On August 22, state home minister Harsh Sanghavi had handed over the certificates of Indian citizenship to 40 Hindu refugees from Pakistan at Ahmedabad collector's office. One of these new Indian citizens who will cast their mandate for the first time is Dilip Maheshwari, 36, who was born in Mithi town of Tharparkar in Pakistan. Maheshwari was one of the 212 Pakistani Hindu refugees who were given Indian citizenship in 2021. His wife Arpita received her citizenship this year. Maheshwari says that he had been visiting India since 1995. "I visited India on a short-term tourist visa in 2008 for the first time. I was here on a pilgrimage. I have been trying to get a long-term visa since 1995. In 2008, I got the visa and when it expired, I returned to Pakistan. In 2013, I got a long-term visa and have been in Gujarat since," Maheshwari told TOI. "At the time of partition, a few of my extended family members had emigrated to India but my family could not. I had made up my mind about becoming an Indian citizen," added Maheshwari, who studied in a Sindhi medium school in Mithi. He said that he has voted many times in the elections in Pakistan. "There you must stamp a ballot paper. My wife and I are quite excited to vote for the first time here and elect the new government in Gujarat," Maheshwari said.

AHMEDABAD: Prime Minister Narendra Modi will on Friday virtually attend the 'bhoomi puja' of the expansion project of steel major ArcelorMittal Nippon Steel India's flagship plant at Hazira in Gujarat's Surat district, officials said. ArcelorMittal Nippon Steel India (AM/NS India) a joint venture between ArcelorMittal and Nippon

Steel, two of the world's leading steelmakers - will expand crude steel capacity at its Hazira plant from 9 million tonnes per annum (MTPA) to 15 MTPA, the company officials said. The company was early this month awarded an environmental clearance to expand the capacity at its plant in Hazira from the current crude steel capacity of

9 million tonnes per annum (MTPA) to 15 MTPA. Union Steel Minister Jyotiraditya Scindia will also virtually attend the ground breaking ceremony that will take place at 2 pm. Gujarat Chief Minister Bhupendra Patel will visit the plant for the event along with Member of Parliament from Navsari C R Paatil. "This increased steel manufacturing capacity represents a significant boost for the government's National Steel Policy, which envisages doubling domestic capacity to 300 MTPA by 2030 in a growing economy, as well as for AM/NS India's own long-term plans to expand capacity," the company said.

# Gujarat: National bird photography competition in (December)

Wildlife Sanctuary, Valsura Road, Ranjit Sagar and others are certain. The aim of the competition is to promote the culture of conservation of birds and allow experts to study the avian behaviour and migratory pattern. "Apart from documenting birds, the teams will also check for any degradation of habitat, pollutants, serious human disturbance, spread of harmful chemicals or insecticides and spread of parasitic vegetation in bird habitats or nesting areas. This

data will help us in the conservation process. The main motive of this exercise is to bring in the future generation closer to birds and make them aware about conservation," Jadedja added. In 2016, around 16 wildlife photographers from across the country had identified 324 bird species. Jamnagar district is well known for its bird habitats (SOCs) seized 590 gram of mephedrone worth Rs 59 lakh from four people at Kapletha checkpoint in Sachin. They peddlers had sourced the contraband from Mumbai to be sold in the city. Those arrested were Azharuddin alias Kela Shaikh (27), Rizwan alias Smarti Shaikh (25), Taulhif Arif Shaikh (27) and Imroj Idrish Shaikh (27). They are residents of different areas of the city. Police stopped their car for checking and seized the drugs, the four-wheeler car and seven mobile phones. "We keep a close tab on illegal activities of drug peddling and strict action will be taken against those involved," said city police commissioner Ajay Tomar. Investigation revealed that the four were hoping for a brisk business during the festival season but they did not get enough contraband. Hence, they decided to purchase it from Mumbai and distribute it to the group of local sellers. Police are collecting details of those who sold drugs to the four and those who were going to buy it from them. "We have arrested 200 people involved in drug trafficking in the past two years and found that they did not have a past record of such crime. It shows that as police are taking stringent action against drug offenders, new people are entering this illegal trade," said Tomar.
